

CHESAPEAKE BAY FLEET

“AROUND CAPE HORN” FILM PRESENTATION

Narrated by Captain Irving Johnson

Captain Irving Johnson sailed aboard the bark “Peking” in 1929, as the sun set on the day of commercial sail. During his voyage on the big German windjammer, Johnson compiled unequalled footage of the crew’s daily activities, and spectacular images of a wild storm as the ship made the dangerous passage around.

Location: The Elks Lodge, 2 Pythian Drive, Edgewater MD 21037
