

The Corinthians is a non-commercial membership association of amateur yachtsmen and women. Its primary objectives are to promote sailing, encourage good fellowship among people afloat and ashore, and connect non-boat-owning amateur sailors and boat owners requiring crew. The organization is concerned with beginner and expert sailors, and those in-between.

Statement of Purpose

JOIN US

MEMBERSHIP

Since 1934, The Corinthians has been an organization rich in history, guided by tradition, and yet looking forward to the future. We offer benefits of membership that will give you opportunities to participate in our many nautically-based activities.

- Annual Cruise (signature event)
- Regional Cruises & Raft Ups
- Racing
- International Sailing Opportunities
- Social Events (afloat and ashore)
- Educational Seminars
- Crewing Opportunities
- Awards & Recognition

OPPORTUNITIES

The Corinthians is comprised of “fleets” along the East Coast of the United States and a sister organization in the United Kingdom. This allows the organization to offer activities in a variety of seasons and regions that are available to *all* members.

So, whether you want to sail in the Chesapeake Bay or the islands and bays of New England, opportunities to sail in company are there for you.

- Chesapeake Bay
- Long Island Sound
- Mystic
- New England

FLEETS

A Well-Connected Network

- Virtual clubhouse at *thecorinthians.org*
- Publication of annual *Member Yearbook*
- Monthly *Jibsheet* newsletter
- Quarterly *Mainsheet* magazine
- Port captains from Maine to Florida to provide assistance
- Volunteer network of experts

Endorsed by Top Sailors

“... a wonderful opportunity for passionate sailors to meet on and off the water. Many aspiring sailors have joined [and enjoyed] racing and cruising adventures. Fellowship, camaraderie, education and simply spending time on the water are fundamental values of *The Corinthians*.”

Gary Jobson

America’s Cup winning tactician, Author, President National Sailing Hall of Fame, US Sailing Past President
